Dr Garoutte,

You are awesome, I can't thank you enough for saving my toes.

I am feeling fine, the blood flow is good to my foot. Dr Higgins appreciated how fast you responded to his calls.

I'm saving \$5000 which I had to pay for the Taxi to come to S.A. He has referred me to a good foot Dr. I have an appointment with Dr. Beito on April 7<sup>th</sup> at 10:15 here in New Orleans.

I have heard a lot of good reports about him.

He has been in practice many years. They have a few good Dr. here, I'll pay \$100.00 to come see you.

You have saved my life many times. I appreciate all the hard work you've done for me. Thank you so much. See you soon —
